## NOTES:

- U heights (where stated) are for the face plate only, not including feet.
- Warranty: Electronics - 3 years on parts & labour (if purchase registered online).

# RRP PRICE LIST

Effective: 21 September 2011

All models

ORDER CODE / COLOUR	MODEL	RRP
<b>Surround Receivers</b>		
		
RSX1550SIL or BLA Silver or Black finish	<b>RSX-1550</b> - 5 x 75 watt surround receiver. Class AB design, with multi-zone audio (up to 4 zones) - Dolby: TrueHD / DigitalEX / Digital / Prologic IIx. DTS: HD Master Audio / ES / 96/24 - HDMI 1.3a x 4, 1080p 24Hz, Faroudja, RS-232, assignable 12v triggers.	1,999.00
RSX1560SIL or BLA Silver or Black finish	<b>RSX-1560</b> - 7 x 100 watt surround receiver. Class D design, with multi-zone audio (up to 4 zones) - Dolby: TrueHD / DigitalEX / Digital / Prologic IIx. DTS: HD Master Audio / ES / 96/24 - HDMI 1.3a x 4, 1080p 24Hz, Faroudja, RS-232, assignable 12v triggers, 4U cabinet	2,999.00
<b>Surround Processors</b>		
		
RSP1570SIL or BLA Silver or Black finish	<b>RSP-1570</b> - Surround processor. 7.1 channel, with multi-zone audio (up to 4 zones) - Dolby: TrueHD / DigitalEX / Digital / Prologic IIx. DTS: HD Master Audio / ES / 96/24 - HDMI 1.3a x 4, 1080p 24Hz, Faroudja, RS-232, assignable 12v triggers, 3U cabinet	2,299.00
RSP1580SIL or BLA Silver or Black finish <b>NEW</b>	<b>RSP-1580</b> - Surround processor. 7.1 channel, with multi-zone HDMI (up to 4 zones) - Dolby: TrueHD / DigitalEX / Digital / Prologic IIx. DTS: HD Master Audio / Hi Res. - HDMI 1.4 Matrix: 4 x Source x 4 Outputs - any source to any output. Faroudja DCDi. - Front panel USB input for iPhone/iPod & any class 2 storage device. - Full OSD overlay on HDMI sources. Dual processors for up to 3000 MIPS. - Large LCD screen for monitoring video sources & outputs. RS-232. 4U cabinet.	4,199.00
<b>Surround Power Amplifiers - Class D</b>		
		
RMB1565SIL or BLA Silver or Black finish	<b>RMB-1565</b> - 5 x 100 watt surround power amplifier. Class D design. - 5 x 200 watt output into 4 ohms. Energy-efficient design allows cool operation - 12v trigger, 5-way binding posts, detachable AC cord, 2U cabinet.	1,399.00
RMB1575SIL or BLA Silver or Black finish	<b>RMB-1575</b> - 5 x 250 watt surround power amplifier. Class D design. - 5 x 500 watt output into 4 ohms. Energy-efficient design allows cool operation - 12v trigger, 5-way binding posts, detachable AC cord, 3U cabinet.	2,999.00
<b>Stereo Power Amplifiers - Class D</b>		
		
RB1562SIL or BLA Silver or Black finish	<b>RB-1562</b> - 2 x 100 watt surround power amplifier. Class D design. - 2 x 200 watt output into 4 ohms. Energy-efficient design allows cool operation - 12v trigger, 5-way binding posts, detachable AC cord, 2U cabinet.	899.00
RB1572SIL or BLA Silver or Black finish	<b>RB-1572</b> - 2 x 250 watt surround power amplifier. Class D design. - 2 x 500 watt output into 4 ohms. Energy-efficient design allows cool operation - 12v trigger, 5-way binding posts, detachable AC cord, 2U cabinet.	1,299.00

ORDER CODE / COLOUR	MODEL	RRP
<b>Integrated Amplifier</b>		
		
RA1520SIL or BLA Silver or Black finish	<b>RA-1520</b> - 2 x 60 watt integrated amplifier. Class AB design, with toroidal transformer. - 5 x line inputs, 1 x media input, 1 x MM phono input. System remote control. - 12v trigger, 5-way binding posts, detachable AC cord, 2U cabinet.	1,099.00
<b>Pre Amplifiers</b>		
		
RC1550SIL or BLA Silver or Black finish	<b>RC-1550</b> - Stereo pre amplifier. Toroidal transformer, BHC slit-foil capacitors. - 5 x line inputs, 1 x media input, 1 x MM phono input. Dual pre outputs. - 12v trigger, EXT remote in, system remote control, detachable AC cord, 2U cabinet.	749.00
RC1580SIL or BLA Silver or Black finish	<b>RC-1580</b> - Stereo pre amplifier with unity gain stage. Toroidal transformer, slit-foil capacitors. - 7 x line inputs, 1 x media input, 1 x MM/MC phono input. Dual pre outputs. - RS-232, 12v trigger, EXT remote in, system remote, detachable AC cord, 2U cabinet	1,499.00
<b>Stereo Power Amplifiers - Class AB</b>		
		
RB1552SIL or BLA Silver or Black finish	<b>RB-1552</b> - 2 x 120 watt power amplifier. Class AB design. - Toroidal transformer, British slit foil capacitors. - 12v trigger in/out, 5-way binding posts, detachable AC cord, 3U cabinet.	999.00
RB1582SIL or BLA Silver or Black finish	<b>RB-1582</b> - 2 x 200 watt power amplifier. Class AB design. - Toroidal transformer, British slit foil capacitors. - 12v trigger in/out, 5-way binding posts, detachable AC cord, 3U cabinet.	1,499.00

Effective: 21 September 2011

All models

ORDER CODE / COLOUR	MODEL	RRP
<b>CD Player</b>		
		
RCD1520SIL or BLA Silver or Black finish	<b>RCD-1520</b> - CD player with slot-load disc mechanism. MP3 disc playback. - Wolfson high performance DAC, segmented power supply with Toroidal transformer. - 12v trigger, two-way RS-232, coaxial digital output, detachable AC cord, 2U cabinet.	999.00
<b>Custom Installation Power Amplifiers</b>		
		
RMB1506SIL or BLA Silver or Black finish	<b>RMB-1506</b> - 6 x 50 watt custom installation power amplifier. Class AB design. - Front panel attenuation, signal sensing, cool operation (optional fan). - 12v trigger, input bussing, sum-to-mono, buffered link outputs. - 5-way posts, input bussing, detachable AC cord, 3U cabinet.	999.00
RMB1512SIL or BLA Silver or Black finish	<b>RMB-1512</b> - 12 x 100w custom installation power amplifier. Class D design. - Front panel attenuation, signal sensing, cool operation. - 12v trigger, input bussing, sum-to-mono, buffered link outputs. - 5-way binding posts & screw terminals, detachable AC cord, 3U cabinet.	2,599.00
<b>Rack Mount Kits</b>		
		
RKF20 Black finish	<b>RKF-20</b> - 20" depth rack rail kit to suit Rotel 15 series products from 1U to 5U heights. - Includes 5 pairs of support rails and 32 trim pieces.	249.00
RKF26 Black finish	<b>RKF-26</b> - 26" depth rack rail kit to suit Rotel 15 series products from 1U to 5U heights. - Includes 5 pairs of support rails and 32 trim pieces.	249.00

All models

ORDER CODE / COLOUR	MODEL	RRP
<b>06 SE Series</b>		
		
RA04SESIL or BLA Silver or Black finish	<b>RA-04 SE</b> - 2 x 40 watt integrated amplifier. Class AB design, with toroidal transformer. - 5 x line inputs, 1 x Media input, 1 x MM phono input. Pre output. A+B speaker selector. - Improved power supply decoupling, input filter capacitors & phono stage. - Electronic speaker protection, 12v trigger, 5-way binding posts, detachable AC cord.	499.00
		
RA05SESIL or BLA Silver or Black finish	<b>RA-05 SE</b> - 2 x 40 watt integrated amplifier. Class AB design, with toroidal transformer & remote. - 5 x line inputs, 1 x Media input, 1 x MM phono input. Pre output. A+B speaker selector. - Improved power supply decoupling, input filter capacitors & phono stage. - 12v trigger in/out, EXT remote in, IR out, 5-way binding posts, detachable AC cord.	649.00
		
RA06SESIL or BLA Silver or Black finish	<b>RA-06 SE</b> - 2 x 70 watt integrated amplifier. Class AB design, with toroidal transformer & remote. - 5 x line inputs, 1 x Media input, 1 x MM phono input. Pre output. A+B speaker selector. - Improved power supply decoupling, input filter capacitors & phono stage. - 12v trigger in/out, EXT remote in, IR out, 5-way binding posts, detachable AC cord.	799.00
		
RCD06SESIL or BLA Silver or Black finish	<b>RCD-06 SE</b> - CD player. Symmetrical circuit board layout, with Toroidal transformer. - Wolfson 24-bit / 192kHz DAC. High-precision over-scanning disc mechanism. - 4 independent power supplies, metal-film super-low noise resistors. - 12v trigger, EXT remote in, coaxial digital output, detachable AC cord, remote control.	649.00
